## CAREER OBJECTIVE

---

Motivated and enthusiastic engineering student pursuing Artificial Intelligence and Data Science, seeking a Software/IT Internship to apply technical knowledge, problem-solving ability, and creativity in real-world projects. Passionate about software development, AI-based solutions, website and app development, UI/UX design, and digital content creation.

## TECHNICAL SKILLS

---

**Programming:** Python (Basics), OOP Concepts in Java  
**Web:** HTML, CSS, JavaScript  
**Development:** Website & App Concepts  
**Fundamentals:** Data Visualisation, Database, Operating Systems  
**AI Build Skills:** Web, App & Chatbot Development using AI  
**Design:** UI/UX Design  
**Other:** Video Editing, Content Creation  
**Finance:** Stock Market & Trading Basics

## PROJECTS

---

### Life Tracker Mobile App Concept

- Designed a mobile app concept for personal productivity, expense tracking, and habit management.
- Planned user-centered features and workflows to improve task organisation and financial awareness.

### Wedding Website

- Built a fully responsive, multi-page wedding website with photo gallery, event timeline, and guest download functionality.
- Deployed the project online with a mobile-friendly UI/UX, demonstrating end-to-end web development skills.

### AI-Powered Chatbot Development

- Built AI-integrated chatbot solutions using conversational AI workflows and prompt engineering.
- Explored AI API integration into web and app environments to deliver intelligent user-facing features.

### Self-Learning in AI, Web & App Development

- Independently explored web, app, and AI chatbot development beyond the college curriculum.
- Built practical projects through online resources, hands-on experimentation, and self-directed learning.

## EDUCATION

---

### B.E.: Artificial Intelligence and Data Science

Mepco Schlenk Engineering College – Sivakasi, Tamil Nadu  
Started: 09/2024 | Expected: 05/2028 | GPA: 7.33

### Higher Secondary Education (Class XII)

Jaycees Matric Hr Sec School  
Sivakasi, Tamil Nadu | Passed Out: 2024  
Score: 540 / 600 | Percentage: 90%

## STRENGTHS

---

Quick Learner • Strong Problem-Solving • Creative Mindset • Time Management • Communication Skills • Teamwork and Adaptability
